

# NOAA SMALL BOAT SAFETY PROGRAM

## 2003 WORKSHOP

### *Training, Inspection, and Boats*

**October 6<sup>th</sup> through 10<sup>th</sup>, 2003  
NOAA Sand Point Campus  
Seattle, Washington**

#### **AGENDA**

This workshop will lay the foundation for universal operator training standards, boat inspection requirements and, if time permits, standardized small boat platform design needs. A detailed agenda can be provided by the NOAA Small Boat Safety Program Coordinator upon request.

#### **WHO SHOULD ATTEND**

Coxswains, OICs, Marine Superintendents, Field Scientists, Field Managers, or anyone else in NOAA who may depend on NOAA boats to conduct marine operations.

#### **FLOTSAM & JETSAM**

- ▶ This workshop is open to all NOAA Line and Staff Offices that operate boats.
- ▶ Workshop attendance will be limited to 50 persons
- ▶ Registration priority will be given to original Small Boat Task Team Members, then to persons with the greatest amount of experience and direct involvement in conducting or managing marine operations.
- ▶ Detailed travel information for out-of-town attendees will be provided at a later date.
- ▶ Attendees may be able to berth aboard NOAA Ship MACARTHUR at no cost.
- ▶ Lodging is available at Silver Cloud Inn, 1-800-330-5812, visit [www.scinnns.com/lake.htm](http://www.scinnns.com/lake.htm).  
Book your room at the Silver Cloud Inn **prior to September 5, 2003** in order to receive the special NOAA group rate of \$99 to \$109 per night.

#### **RSVP NOW**

Contact the NOAA Small Boat Safety Program Coordinator to reserve your seat before September 5, 2003!
